**Act Like a Lady, Think Like a Man, Expanded Edition: What Men Really Think About Love, Relationships, Intimacy, and Commitment** By Steve Harvey

The #1 *New York Times* smash bestseller Revised and expanded with new material.

With over two million copies sold, *Act Like a Lady, Think Like a Man* has become a bestseller around the world. In conjunction with its second movie sequel to be released this summer, Steve Harvey has updated his classic with new advice and insights.

Whether it's why women should enforce a "90-Day Probation Period" before they give their men sexual "benefits"—the way Ford motor company withholds medical and dental benefits until an employee has been on the job for 3 months—or explaining to women why men would rather "fix it" than talk about it, Steve Harvey's advice is always spot-on and laden with warmth and humor. But behind the laughter is his sincere desire to help women understand men.

Now, Steve shares even more relationship wisdom. Does it feel like your man's friends are against you? What should you know about being a wife, before you say "I Do"? Steve provides the answers to these questions and more, and offers new insights including:

- How to put spice into your relationship
- 8 sure-fire ways to keep your cool when his "ex" shows up
- A test for you and your partner, to see if you're actually ready for marriage. . . or need more time
- A 90-day abstinence calendar, and tips for making it through this important trial period

With liberal use of his own adventures in love and courtship, *Act Like a Lady, Think Like a Man* is an honest, compelling, and realistic examination of how men think about love and sex and what women need to know so that they can set realistic expectations of the men in their life.

### Editorial Review

From Publishers Weekly

As a popular comedian, radio host and red-blooded male, Harvey doesn't have the bona fides typical to most women's relationship self-help, but he still manages a thorough, witty guide to the modern man. Harvey undertakes the task because "Women are clueless about men," because "Men get away with a whole lot of stuff" and because he has "some valuable information to change all of that." Harvey makes a game effort, taking a bold but familiar men-are-dogs approach: if you're "cutting back" on sex, "he will have another woman lined up and waiting to give him what he needs and wants--the cookie." Several chapters later, however, he introduces the "ninety-day rule," asserting that, actually, he won't always have another woman lined up--and the only way to make sure is a three-month vetting period. Harvey also tackles mama's boys, "independent--and lonely--women," and the matter of children in the dating world ("If he's meeting the kids after you decide he's the one, it's too late"). Feminists and the easily offended probably won't take to Harvey's blanket statements and blunt advice, but Harvey's fans and those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter Q&A).

### From the Back Cover

An International Bestseller—Over 3 Million Copies Sold!

With translations in more than thirty languages, *Act Like a Lady, Think Like a Man* is the definitive relationship guide for women.

Steve Harvey can't count the number of impressive women he's met over the years—the many incredible women who can run a business, have three kids, maintain a household in tiptop shape, and chair a church group all at the same time. So, when it comes to relationships, why can't these same women figure out what

makes men commit? According to Steve, it's because they're asking other women for advice when they should be going directly to the source. In this expanded edition, Steve includes an added section of all new advice, with tips on dealing with your partner's exes, spicing up your relationship, ensuring you're ready for that walk down the aisle, and much more.

Sometimes funny, often unflinchingly direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.
