Ancient Mexico and Central America: Archaeology and Culture History By Susan Toby Evans

A comprehensive new survey that explores every aspect of pre-Columbian Mesoamerica, from Paleoindian times to the sixteenth century.

Susan Evans's authoritative new book provides overviews of the best-known regional cultures, such as those of the Olmecs, Maya, Zapotecs, and Aztecs, as well as balanced coverage of Mesoamerica as a whole, encompassing within the larger story the development of regions such as West Mexico, Guerrero, the Gulf lowlands, and the northern and southern frontiers of Mesoamerica.

The differing cultures are examined within a chronological framework, with reference to the latest archaeological evidence and current research. The book also traces the development, apogee, and decline of numerous sites—from La Venta and Monte Alban to Teotihuacan, Palenque, and Tenochtitlan. Major cultural themes, such as the ball game, maize cultivation, and the development of the calendar, are analyzed in thirty-three special features. Fluently written and lavishly illustrated with photographs, drawings, and newly commissioned maps, this compelling and detailed book is an invaluable guide for travelers, students, scholars, and anyone interested in pre-Columbian Mesoamerica. 460 illustrations, 70 in color.

Editorial Review

Review

A must buy for all those interested in the pre-Columbian world's most dynamic and complex societies. --
Michael D. Coe

Superb, a highly innovative and remarkable introduction to the study of ancient Mesoamerica. -- *John M. D. Pohl*

Susan Evans's new book is the best, most up-to-date introduction to this exciting area. -- *Jeremy Sabloff*

About the Author

Susan Toby Evans is Professor of Archaeology at Pennsylvania State University. She is senior editor (with David Webster) of *Archaeology of Ancient Mexico and Central America: An Encyclopaedia*, co-editor (with William T. Sanders) of the Aztec-period volumes of the Teotihuacan Valley Project Final Report, co-editor (with Joanne Pillsbury) of *Ancient Palaces of the New World*, and co-author (with Webster and Sanders) of *Out of the Past: An Introduction to Archaeology*.

Users Review

From reader reviews:

David Pell:

Now a day people that Living in the era everywhere everything reachable by match the internet and the resources inside can be true or not demand people to be aware of each info they get. How many people to be smart in receiving any information nowadays? Of course the answer is reading a book. Studying a book can help men and women out of this uncertainty Information specifically this Ancient Mexico and Central America: Archaeology and Culture History book because book offers you rich details and knowledge. Of course the knowledge in this book hundred per cent guarantees there is no doubt in it you know.

Christopher Jones:

People live in this new day time of lifestyle always try to and must have the free time or they will get large amount of stress from both way of life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not really a robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read will be Ancient Mexico and Central America: Archaeology and Culture History.

Billie Sneed:

Your reading 6th sense will not betray an individual, why because this Ancient Mexico and Central America: Archaeology and Culture History publication written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still uncertainty Ancient Mexico and Central America: Archaeology and Culture History as good book not simply by the cover but also from the content. This is one publication that can break don't evaluate book by its cover, so do you still needing yet another sixth sense to pick this particular!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Dennis Ramirez:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Ancient Mexico and Central America: Archaeology and Culture History can make you experience more interested to read.
