### E-Marketing By Judy Strauss

The 4th edition of E-Marketing treats the subject as traditional marketing with a twist: the Internet and other technologies have had a profound effect on the way we do business. This transformation has resulted in new business techniques that add customer value, build customer relationships, and increase company profitability. Stressing product, pricing, distribution, and promotion, the authors use a strategic perspective and give many important practices not covered in previous editions: namely, blogs, social networking, online branding, and search marketing. Point-of-purchase scanning devices, databases, and other offline technologies are discussed. For anyone interested in learning more about electronic marketing, this is an excellent handbook; its comprehensive glossary makes this a must-have reference.

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Kerry Diaz:**

Do you certainly one of people who can't read satisfying if the sentence chained in the straightway, hold on guys this specific aren't like that. This E-Marketing book is readable by simply you who hate the straight word style. You will find the data here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to supply to you. The writer associated with E-Marketing content conveys the idea easily to understand by a lot of people. The printed and e-book are not different in the content but it just different in the form of it. So , do you even now thinking E-Marketing is not loveable to be your top listing reading book?

##### **Angela Heller:**

The guide untitled E-Marketing is the reserve that recommended to you to study. You can see the quality of the guide content that will be shown to an individual. The language that author use to explained their ideas are easily to understand. The author was did a lot of research when write the book, and so the information that they share to your account is absolutely accurate. You also could get the e-book of E-Marketing from the publisher to make you a lot more enjoy free time.

##### **Sara Love:**

Spent a free time for you to be fun activity to perform! A lot of people spent their down time with their family, or their particular friends. Usually they performing activity like watching television, gonna beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could be reading a book may be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try look for book, may be the guide untitled E-Marketing can be very good book to read. May be it can be best activity to you.

##### **Melvin Smith:**

Why? Because this E-Marketing is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret it inside. Reading this book alongside it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking technique. So , still want to hold up having that book?

If I were you I will go to the publication store hurriedly.
