## Fundamentals of Logistics Management (Irwin/McGraw-Hill Series in Marketing) By Douglas Lambert, James R Stock, Lisa M. Ellram

In an era when most managers--including those in the logistics arena--are being urged to think of themselves as "marketers," this new book offers a special opportunity. Written by high-profile authors, *Fundamentals of Logistics Management* brings a unique marketing perspective to logistics management, while fully integrating accounting, finance, and manufacturing in their coverage. This is the topical and practical approach readers have been looking for.

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **John King:**

Book is actually written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. To be sure that book is important issue to bring us around the world. Alongside that you can your reading ability was fluently. A book Fundamentals of Logistics Management (Irwin/McGraw-Hill Series in Marketing) will make you to be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you trying to find best book or suited book with you?

##### **Summer McGaugh:**

Nowadays reading books are more than want or need but also get a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want have more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining for example comic or novel. Typically the Fundamentals of Logistics Management (Irwin/McGraw-Hill Series in Marketing) is kind of guide which is giving the reader erratic experience.

##### **Tammara Dejesus:**

Information is provisions for those to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is in the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Fundamentals of Logistics Management (Irwin/McGraw-Hill Series in Marketing) as your daily resource information.

##### **Dwight McBride:**

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their free time with their family, or their own friends. Usually they doing activity like watching television, likely to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? May be reading a book may be option to fill your no cost time/ holiday.
