From Ingramcontent

### Public Private Partnerships: A Global Review (Cib) From Ingramcontent

This timely new book provides an international perspective on Public Private Partnerships. Through 21 case studies, it investigates the existing and fast developing body of principles and practices from a wide range of countries and is the first book to bring together leading international academics and practitioners under a common framework that enables convenient cross-country comparisons. The authors focus on the impact of the financial crisis has had on how governments have reviewed and overhauled their PPP policies as they have examined or tested new ways of partnering more effectively, efficiently and sustainably with the private sector.

Readers will be able to gauge the level of maturity of PPP development in the book's case studies, understand similarities and differences in their practices, and gain useful insights into the regulatory framework and institutional infrastructure in place to support implementation of PPP. Finally, the book offers insights into the future challenges and opportunities that PPP offers stakeholders.
