Editorial Review

From School Library Journal

Grade 5–8—In book one, Kira and Elspeth's sister, Kahrin, is sent to a prison for murderers and unmarried women, and the two girls make their way to Rogue Mountain, home to a group of friendly dragons and a wizard named Paradon, to rescue her. Now, the sisters and their dragon friends attempt to travel three seasons into the future in order to defeat the evil monarch and abolish his dreadful laws. However, Paradon's spell goes awry and causes Kira and Kahrin to get sent 3000 seasons into the future while Elspeth goes the same number of seasons into the past. When they reach their destinations, they're attacked and the dragons are seriously injured and exhausted from the flight. Separated from one another and far from home, Kira, Kahrin, and Elspeth now face their most difficult tasks yet. Can they return to their time and defeat Lord Dorcan and King Arden? Set in a kingdom ruled by a law that restricts the freedom of unmarried women, the author does a great job of creating an action-packed adventure filled with suspense and even a little romance. The characters are well developed, and the plot is fast-paced and entertaining. Although this book can be read as a stand-alone, children will get more out of it if they're familiar with *Shadow of the Dragon* (Kane/Miller, 2009).—Kira Moody, Hunter Public Library, West Valley City, UT
