Storm & the Mermaid's Knot By Meghan Richardson, Tina Verduzco

Storm Harn is not your typical 16 year old and St Augustine, Florida is not your typical beachside town. What they have in common is a century old secret that, if not solved, may destroy them both by summer's end. Soon after arriving in St. Augustine, Storm's "growing pains" transform into sensuous curves, salt cravings replace her sweet tooth and her emotions affect the weather. Storm has reached transition; the age all mermaids transform from vulnerable, human-like adolescents to beautiful and powerful adult sirens. The catch? Storm was never told of her mythical lineage. Suddenly part of a powerful clan of mers that rule the Atlantic waters, she is thrust into a world filled with magic, romance, deception, danger, and secrets. Storm is determined to uncover the truths that both her human and mer families are keeping from her...but knowing comes at a cost.

Editorial Review

From the Author

Hello Friends. You may or may not know this, but publishing Storm is one of our major life accomplishments. As if the 5 years of co-writing, the countless drafts, re-writes, glasses of wine, brainstorm sessions with Tina, more re-writes, and more wine, and FINALLY having the result in hand wasn't enough to call Storm an accomplishment...writing any old book was never the goal...Storm had to reach rather amazingly high expectations set by both Tina and myself. And, we believe Storm and her family - both human and mer - have done rather wonderfully...they embody the resilience of generational bonds, the strength of women, the headstrong nature of teenagers, but most importantly, the love that surrounds the whole messy thing we call family. Tina and I set out to write a book for girls to read and find (and believe) their inner strength. Turns out we wrote a book that helped us find and believe in ours. Thank you for joining us on this journey! Get ready for Book 2...the adventure is far from over.

About the Author

But don't let the distance fool you, she and Tina are still fast friends and co-authors and are busy working on Storm's next adventures. Stay tuned for the exciting second book in this series!!!
