The Practice of Diplomacy: Its Evolution, Theory and Administration By Keith Hamilton, Professor Richard Langhorne

Practice of Diplomacy has become established as a classic text in the study of diplomacy. This much-needed second edition is completely reworked and updated throughout and builds on the strengths of the original text with a strong empirical and historical focus.

Topics new and updated for this edition include:

- discussion of Ancient and non-European diplomacy including a more thorough treatment of pre-Hellenic and Muslim diplomacy and the diplomatic methods prevalent in the inter-state system of the Indian sub-continent
- evaluation of human rights diplomacy from the nineteenth-century campaign against the slave trade onwards
- a fully updated and revised account of the inter-war years and the diplomacy of the Cold War, drawing on the latest scholarship in the field
- an entirely new chapter discussing core issues such as climate change; NGOs and coalitions of NGOs; trans-national corporations; foreign ministries and IGOs; the revolution in electronic communications; public diplomacy; transformational diplomacy and faith-based diplomacy.

This text has established itself as a core text in the field of diplomacy and this new edition is absolutely essential reading for students and practitioners of diplomacy.
