Editorial Review

Amazon.com Review

Anne Hobbs is a prim and proper 19-year-old schoolteacher who yearns for adventure. She finds this and much more in a town with the unlikely name of Chicken, located deep in the Alaskan interior. It is 1927 and Chicken is a wild mining community flaming with gold fever. Anne quickly makes friends with many of the townspeople, but is soon ostracized when she not only befriends the local Indians but also falls in love with one. A heartwarming story in the tradition of Benedict Freedman's classic, *Mrs. Mike*, *Tisha* is one of those rare books that stays with the reader for years, beckoning to be read again and again. --*Maudeen Wachsmith*
