**Before I Fall Enhanced Edition** By Lauren Oliver

**With this stunning debut novel, *New York Times* bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. Like Jay Asher's *Thirteen Reasons Why* and Gayle Forman's *If I Stay*, *Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others.**

This special enhanced edition of the *New York Times* bestselling *Before I Fall* by award-winning author Lauren Oliver includes two brand-new stories set in the world of *Before I Fall*, an essay by the author about the “greatest hits” of her life, and extra behind-the-scenes content on the making of this bestseller.

For popular high school senior Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is...until she dies in a terrible accident that night.

However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined.

*Before I Fall* is now a major motion picture Zoey Deutch, Halston Sage, and Kian Lawley. Named to numerous state reading lists, the novel was also recognized as a Best Book of the Year by Amazon.com, Barnes & Noble, *The Daily Beast*, NPR, and *Publishers Weekly*.

## Editorial Review

### Amazon.com Review

In this *Groundhog Day* meets *Mean Girls* teen hybrid, Sam Kingston is pretty, popular, and has a seemingly perfect boyfriend. But after a late-night party everything goes terribly wrong, and the life that she lived is gone forever. Or is it?

At the start of *Before I Fall*, Sam is self-consumed and oblivious about the impact of her actions on others. But as she repeatedly experiences slightly altered versions of the hours leading up to her death—and her relationships with friends, family, and formerly overlooked classmates bloom, end, or shift—it's impossible not to feel for the girl whose life ends too soon. Oliver's adept teen dialogue and lively prose make for a fast, page-turning story in which the reader is every bit as emotionally invested as Sam. --*Jessica Schein*

### From School Library Journal

Grade 9 Up—Samantha Kingston has worked her way up the popularity ladder; now a senior, she and her three best friends rule their school. On Cupid Day, Sam expects to receive Valentine roses, to party with her friends, and to finally (maybe) have sex with her equally popular boyfriend. The last thing she expects is that she will die, but in the final moments of her life, as she hears "a horrible, screeching sound—metal on metal, glass shattering, a car folding in two," everything turns to nothing. Only, it is not the end for Sam. She wakes up to start the same day over again, and again; in fact, she relives it seven times. At first, being dead has its advantages, as she realizes that nothing worse can happen to her. She first conducts herself with reckless abandon, seducing her math teacher and smoking marijuana. It is difficult to feel pity for Sam; she is snobbish, obnoxious, a cheater, and just plain mean. However, her gradual and complete transformation is so convincing that when she finally puts others before herself in order to save another life, it is moving and cathartic. The deepening relationship between Sam and Kent, her childhood friend, is sensitively described and the most complex and compelling relationship in the story. Although somewhat predictable, the plot drives forward and teens will want to see where Sam's choices lead. Fans of Gabrielle Zevin's *Elsewhere* (Farrar, 2005) will enjoy this almost-afterlife imagining. —*Amy J. Chow, The Brearley School, New York City*

### Review

"Oliver's debut novel is raw, emotional, and, at times, beautiful....readers will love Samantha best as she hurtles toward an end as brave as it is heartbreaking." (Publishers Weekly (**starred review**))

"Samantha's attempts to save her life and right the wrongs she has caused are precisely what will draw readers into this complex story and keep them turning pages until Sam succeeds in living her last day the right way." (Voice of Youth Advocates (VOYA) (**starred review**))

"Oliver, in a pitch-perfect teen voice, explores the power we have to affect the people around us in this intensely believable first novel...This is a compelling book with a powerful message and should not be missed." (ALA Booklist)

"This story races forward, twisting in a new direction every few pages, its characters spinning my emotions from affection to frustration, anger to compassion. You'll have no choice but to tear through this book!" (Jay Asher, author of the New York Times bestseller *Thirteen Reasons Why*)

“Before I Fall is smart, complex, and heartbreakingly beautiful. Lauren Oliver has written an extraordinary debut novel about what it means to live—and die.” (Carolyn Mackler, author of *Tangled* and *The Earth, My Butt, and Other Big Round Things*, a Printz Honor book)

## **Users Review**

### **From reader reviews:**

#### **Melanie Pemberton:**

As people who live in the particular modest era should be revise about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and progress.
