Dare Me By Megan Abbott

"I dare you not to love this book. You lucky reader."---Tom Franklin, *New York Times* bestselling author of *Crooked Letter, Crooked Letter*

Addy Hanlon has always been Beth Cassidy's best friend and trusted lieutenant. Beth calls the shots and Addy carries them out, a long-established order of things that has brought them to the pinnacle of their high-school careers. Now they're seniors who rule the intensely competitive cheer squad, feared and followed by the other girls -- until the young new coach arrives.

Cool and commanding, an emissary from the adult world just beyond their reach, Coach Colette French draws Addy and the other cheerleaders into her life. Only Beth, unsettled by the new regime, remains outside Coach's golden circle, waging a subtle but vicious campaign to regain her position as "top girl" -- both with the team and with Addy herself.

Then a suicide focuses a police investigation on Coach and her squad. After the first wave of shock and grief, Addy tries to uncover the truth behind the death -- and learns that the boundary between loyalty and love can be dangerous terrain.

The raw passions of girlhood are brought to life in this taut, unflinching exploration of friendship, ambition, and power. Award-winning novelist Megan Abbott, writing with what Tom Perrotta has hailed as "total authority and an almost desperate intensity," provides a harrowing glimpse into the dark heart of the all-American girl.

Editorial Review

Amazon.com Review

Amazon Best Books of the Month, August 2012: Oh my, these beautiful, terrible girls, with their "Aruba-tanned" legs and their ferocity and fears, for whom the smallest slights become life-and-death matters. This brilliantly dark and uncomfortably real story, sharp and suspenseful and chilling, made me desperately glad I have sons. The author is so attuned to the "witchiness of girls" and the drama of high school, and then she takes us to the darkest corners of that world. These aren't *Mean Girls* or *Breakfast Club* teens--more like *Glee* on steroids. Megan Abbott is a scary genius. Her voice is fierce and fearless. --Neal Thompson

Review

PRAISE FOR DARE ME:

"A fascinating, almost voyeuristic, glimpse into the power struggle that goes on between teenaged girls. Not just any teenaged girls-cheerleaders-with their own unique hierarchy and fierce code of loyalty, which they'll protect at any cost. There's a dark and twisted love story here, told with a rich sensual undertone that lingers long after you close the last page, still breathing in your ear: *Dare me.*"?Chevy Stevens, *New York Times* bestselling author of *Still Missing* and *Never Knowing*

"Arresting, original and unputdownable."?Rosamund Lupton, *New York Times* bestselling author of *Sister*

"DARE ME sneaks up on you from behind, pulling on long-forgotten memories of teenaged desperation, obsession, and desire. This is truly masterful storytelling."?Alafair Burke, author of *Never Tell*

"Megan Abbott's brilliant new book presents a number of possibilities-the mysterious and the erotic, as well as the inevitable and paradoxical lessons of girlhood-with such illumination that the joyful terrors of adolescence were once again present in me. Abbott's characters, confronted with unaccustomed questions and strange, new difficulties, remind us that the loss of innocence can, if we are fortunate, emerge into a lustrous wisdom."?Susanna Moore, author of *In the Cut*

About the Author

Megan Abbott is the Edgar Award-winning author of five previous novels. She received her Ph.D. in literature from New York University and has taught literature, writing, and film at NYU, the New School, and SUNY-Oswego. She lives in New York City.

Users Review

From reader reviews:

Diana Sturgill:

The book Dare Me can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book Dare Me? Several of you have a different opinion about book. But one aim that book can give many info for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or details that you take for that, you could give for each other; you are able to share all of these. Book Dare Me has simple shape but you know: it has great and large function for you. You can appear the enormous world by available and read a guide. So it is very wonderful.

Dwight Ambrose:

Do you one of people who can't read satisfying if the sentence chained inside straightway, hold on guys this specific aren't like that. This Dare Me book is readable through you who hate the perfect word style. You will find the info here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to offer to you. The writer connected with Dare Me content conveys the idea easily to understand by most people. The printed and e-book are not different in the content material but it just different such as it. So , do you still thinking Dare Me is not loveable to be your top checklist reading book?

Michael Kendig:

Spent a free time to be fun activity to do! A lot of people spent their free time with their family, or their very own friends. Usually they performing activity like watching television, likely to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Could be reading a book can be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the reserve untitled Dare Me can be great book to read. May be it may be best activity to you.

Craig Palmer:

People live in this new moment of lifestyle always try and and must have the free time or they will get lot of stress from both daily life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not just a robot. Then we inquire again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, typically the book you have read is usually Dare Me.
