## Drugs in Sport By David R. Mottram

With the recent major updates in worldwide anti-doping laws and changes to the prohibited and therapeutic exemption lists, this fourth edition of the bestselling *Drugs in Sport* presents authoritative, hard science information about the actions of drugs, hormones, medication and nutritional supplements in sport.

Written by a well respected pharmacologist from one of the UK's leading sports science universities, this much-needed new edition of a market leader continues to focus on one of the most high profile themes in sport science, providing high quality detailed information. Some of the key issues covered include:

- \* the latest doping control regulations of the WADA
- \* the use of therapeutic drugs banned in sport
- \* an assessment of the prevalence of drug taking in sport.
