**First Among Sequels (Thursday Next, Book 5) By Jasper Fforde**

**The fifth installment in Jasper Fforde's *New York Times* bestselling series follows literary detective Thursday Next on another adventure in her alternate reality of literature-obsessed England**

Jasper Fforde has thrilled readers everywhere with his gloriously outlandish novels in the Thursday Next and Nursery Crime series. And with another genre-bending blend of crime fiction, fantasy, and top-drawer literary entertainment is *Thursday Next: First Among Sequels*, Fforde's famous literary detective is once again ready to make the world safe for fiction. Thursday Next is grappling with a host of problems in BookWorld: a recalcitrant new apprentice, the death of Sherlock Holmes, and the inexplicable departure of comedy from the once-hilarious Thomas Hardy novels, to name just a few—all while captaining the ship *Moral Dilemma* and facing down her most vicious enemy yet: herself. Thursday's zany investigations continue with *Our Thursdays is Missing*. Look for the five other bestselling Thursday Next novels, including Jasper Fforde's latest bestseller, *The Woman Who Died A Lot*. ## Editorial Review

From Publishers Weekly

Full of bizarre subplots, many of which don't go anywhere, bestseller Fforde's fifth novel to feature intrepid literary detective Thursday Next (after 2004's *Something Rotten*) blends elements of mystery, campy science fiction and screwball fantasy à la Terry Pratchett's Discworld. With the Stupidity Surplus reaching dangerously high levels all over England, Acme Carpets employee and undercover SpecOps investigator Next has her hands full trying to persuade her 16-year-old slacker son, Friday, to join the ChronoGuard, which deals with temporal stability; if Friday continues to sleep away his future, the end is near—for everyone. To complicate matters, a malicious apprentice begins making classic works of literature into reality book shows (*Pride and Prejudice* becomes *The Bennets*), a ruthless corporation tries to turn the Bookworld into a tourist trap, and the Cheese Enforcement Agency tries to bust Next for smuggling killer curd. The fate of the world may lie in a Longfellow poem. Fans of satiric literary humor are in for a treat. (July)

Set in a world where books are more fun than television, more serious than the CIA, and more important than proper diet and exercise, the Thursday Next novels continue to grow in popularity—which is a good sign. In the fifth novel of the series (after *Something Rotten*, \*\*\*1/2 Nov/Dec 2004), Jasper Fforde again shows off his delicious British wit (and occasionally heavy-handed use of puns) in another zany romp. If you're already a fan, *First Among Sequels* is sure to thrill. If you're new to the series, you might as well dive right in. Either way, you'll soon have a new appreciation of Henry Longfellow.
