### Insanity: My Mad Life By Charlie Bronson, Stephen Richards

Charles Bronson is the most feared and the most notorious convict in the prison system. Renowned for serial hostage taking and his rooftop sieges, he is a legend in his own lifetime. Yet behind the crime and the craziness, there is a great deal more to Charlie. He is a man of great warmth and humor; a man of great artistic talent who exhibits his drawings around the country; and a man with an overpowering urge not to let the system get him down. *Insanity* is a look into the mind of a true individual—a wild, inspired, single-minded, fascinating man, oppressed not only by the workings of his singular mind, but also by the system that confines him.

### About the Author

Owing to Charlie Bronson's somewhat confined conditions (ie. in a cage like Hannibal Lecter), it is difficult for him to get out and promote his book as he would want to. It doesn't seem to have harmed Bronson, however, which has sold well over 100,000 copies, perhaps because every time Charlie does something a bit nutty it ends up in every national newspaper... Charlie once kidnapped three Iraqis and threatened to eat them. He is now threatening to eat any bookseller who orders a less-than-substantial quantity of his new book. You have been warned...

Stephen Richards, also known as The Golden Pen, is an international bestselling author of over 60 titles and his many successful self-help books have been translated into foreign languages. As a qualified clinical hypnotherapist and stress counsellor, Stephen was a former member of the British Association of Counsellors and was affiliated to their Family Sexual Division, Disaster Team and Stress Counselling for Students Division. Stephen now applies his time to self-help publications, running his property development empire and helping others.
