**Introduction to Industrial/Organizational Psychology (5th Edition)** By Ronald E. Riggio

## **Courses in Industrial/Organizational Psychology and Organizational Psychology**

From its first edition, two important themes have been the foundation of Ronald E. Riggio's *Introduction to Industrial / Organizational Psychology*. First, because I/O psychology is a field with both a strong scientific base and an applied orientation, the book demonstrates the connection between psychological theory and application: theoretical concepts are shown to lead to useful interventions. Second, *this book was designed and written with the student in mind*. Whenever possible, the text draws on examples and illustrations from the world of work that students understand - making for an introductory text that appeals to a wide range of students with varying academic backgrounds.

This student-centered, real-world driven text demonstrates the connection between psychological theory and application in the field of Industrial / Organizational Psychology.
