A National Bestseller!

“Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history.”

*—Boston Globe*

Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler’s heretical desire to forsake Egypt’s ancient gods.

From the moment of her arrival in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband’s rule. The only person brave enough to warn the queen is her younger sister, yet remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear.

### Editorial Review

From Publishers Weekly

This fictionalized life of the notorious queen is told from the point of view of her younger sister, Mutnodjmet. In 1351 B.C., Prince Amunhotep secretly kills his older brother and becomes next in line to Egypt's throne: he's 17, and the 15-year-old Nefertiti soon becomes his chief wife. He already has a wife, but Kiya's blood is not as royal, nor is she as bewitching as Nefertiti. As Mutnodjmet, two years younger than her sister, looks on (and falls in love), Amunhotep and the equally ambitious Nefertiti worship a different main god, displace the priests who control Egypt's wealth and begin building a city that boasts the royal likenesses chiseled in stone. Things get tense when Kiya has sons and the popular Nefertiti has only daughters, and they come to a boil when the army is used to build temples to the pharaoh and his queen instead of protecting Egypt's borders. Though sometimes big events are telegraphed, Moran, who lives in California and is making her U.S. debut, gets the details just right, and there are still plenty of surprises in an epic that brings an ancient world to life.
