Reveal (Young Adult Paranormal Romance) (Cryptid Chronicles Book 1)

By Brina Courtney

I am not an experiment.

You think seeing ghosts is weird? Tell me something I don't know.

My childhood best friend Jeremy, happens to be a ghost.

My life is a puzzle, and the biggest piece missing has been my dad. Since his disappearance when I was six it's been tough, but Jeremy has been by my side through it all.

But now Jeremy has gone missing too and I feel like I'm never going to get all the answers I've been looking for.

Fate intervenes when Hugh, a local college hottie, starts taking an interest in me.

He divulges that he also shares my little "gift" of seeing the dead and I know I'm finally getting closer to finding all the pieces.

However, the more the puzzle is completed, the more questions I have.

Senior year is hard enough as it is, but clearly I like a challenge.

This is a COMPLETE series!
