## The Unmistakable Touch of Grace: How to Recognize and Respond to the Spiritual Signposts in Your Life By Cheryl Richardson

Dear Friend,

Twenty years ago, I made a decision to wake up and alter the direction of my life. This set in motion a series of events that proved to me there are no coincidences. Every event we experience and every person we meet has been put in our path for a reason. When we awaken to this fundamental truth, we begin to understand that a benevolent force of energy is available to guide and direct our lives. I call this energy the unmistakable touch of grace.

This book tells the story of how grace has transformed my life as well as the lives of others. While some stories may seem unbelievable, all of them are true. As you follow the journey, you'll start to see the influence of grace in your life, too. And, once you've finished, the way you view your life (and the people in it) will be changed forever.

Many blessings,  
Cheryl

### Editorial Review

#### Amazon.com Review

In *The Unmistakable Touch of Grace*, bestselling author Cheryl Richardson (*Take Time for Your Life* and *Life Makeovers*) moves away from advice about tangible topics, and shares with readers her twenty-year journey of discovery about how the benevolent energy of the Universe, which she calls "the unmistakable grace" works to shape our lives and guide us towards our ultimate spiritual destiny. According to Richardson, there is a Higher Power that has our best interest at heart and uses grace to guide us to better understand the Divine Plan. The goal of this book is to help readers become more aware of how grace touches their lives, and to teach them to be able to better recognize the touch of grace and to surrender to it so that "the right doors will open to support you in fulfilling your life's purpose."

There are no coincidences, Richardson writes. Everything and everyone we experience comes into our lives for a reason and are 'blessings in disguise.' Understanding those reasons and viewing life from a spiritual perspective is at the heart of her message. In addition to revealing personal examples from her own life, Richardson shares many other stories to reveal how grace can make dramatic, positive differences in our lives once it is perceived and surrendered to. To aid the reader in those steps, Richardson provides a wealth of exercises at the end of each chapter. She calls such exercises experiments, and encourages readers to perform them with others so that everyone involved can witness their dramatic effects on each other. She also provides additional resources that readers can use to further their self-discovery.

With *The Unmistakable Touch of Grace*, writing in a style that is both warm and informative, Richardson joins the ranks of other inspirational authors such as Wayne Dyer and Eckhart Tolle, with a work that is both provocative and empowering, and a very useful resource for anyone who desires to increase their awareness of the seeds of miracles contained in everyday experiences.
