Alice 3 Cookbook By Vanesa S. Olsen

Part of Packt's cookbook series, each chapter focuses on a different aspect of working with Alice. Each recipe has practical, step-by-step instructions with lots of screenshots. This book is designed primarily for teachers developing education plans and willing to exploit 3D environments using Alice 3. Alice users who want to improve their Alice programming skills will also find this book useful as it offers innovative 3D models in action. Some basic knowledge of Alice and how it works is necessary, although you are not expected to have worked with version 3 before.

Editorial Review

About the Author

Vanesa Olsen is a Speech Therapist. She has been working for more than five years in therapeutic centers, schools, and hospitals. She has been applying modern technologies in language disorders and learning disability treatments, and in helping schools to keep the students in the least restrictive environment. Specifically, she has been working with Moodle as an e-Learning platform, Alice and other tools, combined with the usage of Web 2.0 and general purpose modern hardware as gamepads, pen sketches, touch screens, netbooks and joysticks. She enjoys helping children and teenagers to improve their skills.

She has written another book for Packt Publishing, Moodle 1.9 for Teaching Special Education Children (5-10): Beginner's Guide.

She lives with her husband, Gaston, and her little son, Kevin. When she is not working she devotes her spare time to her family and hobbies. She enjoys modeling in cold porcelain, swimming, and researching about new technologies and techniques to apply in her treatments.

You can contact her at vanesaolsen@gmail.com and at olsenvanesa@live.com

Users Review

From reader reviews:

Jack Unger:

Nowadays reading books become more and more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want get more knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining like comic or novel. Typically the Alice 3 Cookbook is kind of book which is giving the reader unstable experience.

Kenneth Handy:

Reading a book for being new life style in this season; every people loves to study a book. When you learn a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, along with soon. The Alice 3 Cookbook will give you a new experience in examining a book.

Harry Oliver:

You can spend your free time to learn this book this publication. This Alice 3 Cookbook is simple to create you can read it in the area, in the beach, train and also soon. If you did not have much space to bring the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Alice Black:

As we know that book is essential thing to add our knowledge for everything. By a publication we can know everything we would like. A book is a range of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This e-book Alice 3 Cookbook was filled with regards to science. Spend your spare time to add your knowledge about your technology competence. Some people has different feel when they reading the book. If you know how big advantage of a book, you can experience enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.
