Child Welfare and Family Services: Policies and Practice (8th Edition) By Susan Whitelaw Downs, Ernestine Moore, Emily Jean McFadden, Lela B. Costin

This thorough revision of *Child Welfare and Family Services* reflects current issues, controversies, and innovative practice methods in both family and child services. It provides a strong historical context to current programs, issues, and policy decisions; as well as in-depth information on legal and legislative frameworks.

A new chapter on child welfare practice, including an expanded treatment of foster care, provides a foundation for social work interventions with children. In addition, new and updated information covers topics such as; child welfare issues with immigrant families, child outcome measurements, forensic interviewing, advocacy, court documentation, federal legislation, child welfare in a global context, cultural competence, protective/preventive services, day care/child development programs, income security, kinship care, family preservation, and adoption.

Editorial Review

Review

What your colleagues are saying:

This text is a wonderful classroom tool. It can be used to facilitate dialogue, as well as assist students in understanding basic child welfare content. It is very thorough and easy to digest. This is important for students, particularly those who may be new to child welfare.

-- *Monique Busch Indiana University*

This text is by far the best I have found for a general survey course in Child Welfare. The strength of this text is its emphasis on the macro level of child welfare. It is important to me to place the field of child welfare in the context of larger cultural, social and political trends.

-- *Dale Weaver, California State University--Los Angeles*

From the Back Cover

Child Welfare and Family Services: Policies and Practice, 8/e

Susan Whitelaw Downs, Wayne State University

Ernestine Moore, Wayne State University

Basic Approach:

This thorough revision of *Child Welfare and Family Services* reflects current issues, controversies, and innovative practice methods in both family and child services. It also provides a strong historical context to current programs, issues, and policy decisions; as well as in-depth information on legal and legislative frameworks. Excellent coverage of theories related to child welfare practice are covered; including the ecological perspective, social learning theory, attachment theory, and the risk and resilience perspective

New to this edition:

- A new chapter titled ***Professional Responsibilities: Ethics and Advocacy*** (Ch. 12), covers a variety of professional issues in child welfare from legal and practice perspectives
- Expanded coverage of **child welfare practice**, including a new chapter devoted to the fundamentals of practice (Ch. 4)
- Applies and explains legal skills that all child welfare practice professionals need for the field (Ch.6)
- Contains a new model combining **family continuity** and **concurrent planning** (Ch.9)
- New charts, tables, and cases in the text act as handy references to students - for everything from federal legislation and juvenile justice, to child outcome accountability and advocacy techniques
- New case examples examine current issues in child welfare such as **legal liability, burn out, and advocacy for policy change**
- Up-to-date, accurate and clear discussion of federal programs and policies that affect families and children, with honest assessments of the effectiveness of these policies, including an in depth discussion of welfare reform and its effects on families and children

From reader reviews:

John Malcolm:

This Child Welfare and Family Services: Policies and Practice (8th Edition) are usually reliable for you who want to be a successful person, why. The reason of this Child Welfare and Family Services: Policies and Practice (8th Edition) can be one of many great books you must have is usually giving you more than just simple studying food but feed an individual with information that probably will shock your earlier knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions throughout the e-book and printed people. Beside that this Child Welfare and Family Services: Policies and Practice (8th Edition) giving you an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day activity. So , let's have it and luxuriate in reading.

Lucas Florio:

Are you kind of hectic person, only have 10 or even 15 minute in your moment to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book than can satisfy your short space of time to read it because this all time you only find guide that need more time to be study. Child Welfare and Family Services: Policies and Practice (8th Edition) can be your answer as it can be read by anyone who have those short time problems.

Nancy Leto:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Child Welfare and Family Services: Policies and Practice (8th Edition) can make you really feel more interested to read.

Keith Vanwagoner:

A lot of people said that they feel weary when they reading a reserve. They are directly felt the idea when they get a half parts of the book. You can choose the particular book Child Welfare and Family Services: Policies and Practice (8th Edition) to make your personal reading is interesting. Your own personal skill of reading talent is developing when you like reading. Try to choose straightforward book to make you enjoy to study it and mingle the opinion about book and reading especially. It is to be very first opinion for you to like to available a book and read it. Beside that the guide Child Welfare and Family Services: Policies and Practice (8th Edition) can to be your brand-new friend when you're feel alone and confuse with the information must you're doing of this time.
