Dispensationalism Before Darby By William C. Watson

In Christian theological circles discussion, critics of dispensationalism have argued that John Darby was the originator of the pretribulational rapture and dispensationalism. William Watson has spent over twenty years working through little known theological works of the 17th and 18th century. Drawing from primary sources he has demonstrated that Darby's perspectives were not aberrant nor did they originate with him. Instead, he followed a long list of individuals centuries before who anticipated the restoration of the Jews to their national homeland and believed in the imminent return of Christ. Now with the claim proved wrong that pretribulationalism and dispensationalism are new perspectives, hopefully the concentration in eschatological questions will be on exegesis of the Bible itself.

Editorial Review

Review

"William Watson's comprehensive research in Dispensationalism Before Darby demonstrates the historical fallacy in the frequent claim that elements of dispensational theology, such as a pretribulational rapture, only came into existence in the early 1800s. Watson's work is well worth the read." -- Mike Stallard "Ph.D., Dean and Professor of Systematic Theology, Baptist Bible Seminary, Moderator, Council of Dispensationalism"

"William Watson has done the spadework, researching post-Reformation eschatology beliefs in the English-speaking world. He reveals their wide-spread belief in premillennialism and developing views of the rapture. Anyone interested in such issues will need to read Watson's groundbreaking work." -- Thomas D. Ice "Ph.D., Executive Director Pre-Trib Research Center"

"William Watson plows new ground in researching the history of eschatological thought prior to the nineteenth century. To put it simply, Darby did not invent the pretribulational rapture idea." -- Ed Hindson "D.Min., D.Phil., Dean & Distinguished Professor of Religion School of Religion, Liberty University"
