**The Logic of History: Putting Postmodernism in Perspective** By C. Behan McCullagh

*The Logic of History* reveals the rational basis for historians' descriptions, interpretations and explanations of past events. C. Behan McCullagh defends the practice of history as more reliable than has recently been acknowledged. Historians, he argues, make their accounts of the past as fair as they can and avoid misleading their readers. He explains and discusses postmodern criticisms of history, providing students and teachers of history with a renewed validation of their practice. McCullagh takes the history debate to a new stage with bold replies to the major questions historians face today.
