Basic Medical Language with Flash Cards, 5e By Myrna LaFleur Brooks RN BEd, Danielle LaFleur Brooks MEd MA

With brief explanations and a focus on word building skills, **Basic Medical Language, 5th Edition** provides the foundation you need to confidently communicate with other health care team members. This basic medical vocabulary text explains a carefully selected group of suffixes, prefixes, and combining forms to give you the basis for recognizing and defining hundreds of medical terms. Clear, illustrated lessons present terms by body system, introducing word parts and providing review exercises that ask students to define terms or combine word parts to create terms. This text also reinforces learning with all-new case studies, images, and exercises –and carefully crafted Evolve resources.

- **Over 200 flash cards** packaged free with the text make it easier for you to memorize terms.
- **Systemic presentation of medical terms** helps you learn and recognize new words as you encounter them by combining parts.
- **Objectives integrated with headings** clarify how the content is presented within lessons and show you how objectives relate to content.
- **Consistent organization and pacing of lessons** ensures steady acquisition of terminology.
- **Integrated review exercises** test your knowledge and provide instant feedback on your progress.
- **Student resources on the Evolve companion website** include games, activities, gradable, emailable quizzes, and an audio program – all tied closely to text material.
- **Electronic health record mockups** provide exposure to the electronic health records that you will encounter in practice.
- **NEW! Elsevier's Adaptive Learning** program customized for *Basic Medical Language*, 5th Edition helps you learn and retain medical terminology.
- **NEW! All-new case studies** serve as review sections and provide additional opportunities for you to apply what you have learned.
- **NEW! Career Focus feature** highlights professionals whose work focuses on specific body systems.
- **NEW! Engaging new exercises**, including matching, building, and reading

medical terms in context, foster an active learning approach.

- **NEW and UPDATED! Terms and images** keep you up-to-date with the latest healthcare procedures and advances.

Editorial Review

Users Review

From reader reviews:

Tom Carter:

Precisely why? Because this Basic Medical Language with Flash Cards, 5e is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.

Brenda Villa:

Your reading 6th sense will not betray a person, why because this Basic Medical Language with Flash Cards, 5e publication written by well-known writer we are excited for well how to make book that could be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still hesitation Basic Medical Language with Flash Cards, 5e as good book not merely by the cover but also from the content. This is one reserve that can break don't ascertain book by its cover, so do you still needing another sixth sense to pick this specific!? Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

Linda Cooper:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This Basic Medical Language with Flash Cards, 5e can be the answer, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Stephen Stansbury:

Don't be worry if you are afraid that this book will filled the space in your house, you can have it in e-book method, more simple and reachable. This Basic Medical Language with Flash Cards, 5e can give you a lot of pals because by you taking a look at this one book you have issue that they don't and make you actually more

like an interesting person. This book can be one of a step for you to get success. This publication offer you information that perhaps your friend doesn't learn, by knowing more than different make you to be great persons. So , why hesitate?
