**Garfield Life in the Fat Lane: His 28th Book** By Jim Davis

**A fast-food helping of humor!**

What is it that makes Garfield America's favorite feline? Maybe it's the way he flies through the fat lane without losing his cool or without missing a meal! You'll marvel as Garfield finds new ways to evade exercise and beat boredom. But it's nothing that a few airborne sardines can't cure, and feeding Odie a jar of sticky peanut butter is a sure way to a slobbering good time. So join Garfield and his friends before the food is gone and the fun slows down!

The GARFIELD CLASSICS series collects the early years of the GARFIELD comic strip in a larger, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.
