### Editorial Review

#### Review

*Teaching Argumentation* crisply and clearly explains why it is so important for students to develop and practice argumentation skills and provides a first-rate framework for understanding the nature of these skills. At its core is a wealth of practical and relevant research-based strategies that will be immediately useful for teachers. Read this book if you seek to improve your ability to teach the fundamental democratic skills of argumentation in ways that will be highly engaging and interesting for your students." --Diana Hess, Senior Vice President, Spencer Foundation, and Professor of Curriculum and Instruction, University of Wisconsin Madison

#### About the Author

**Katie Rogers** is the production editor for Marzano Research Laboratory in Denver, Colorado, where she writes and edits books, research reports, and website materials. She has experience teaching at the middle school level and mentoring students at the college level. Her strong interest in social theory and education research has inspired her to write in a variety of fields, from academic to journalistic to creative. She holds a bachelor of arts degree in sociology from Colorado College, with a minor in English literature.

**Julia A. Simms, EdM, MA**, is director of publications for Marzano Research Laboratory in Denver, Colorado. She has worked in K 12 education as a classroom teacher, gifted education specialist, teacher leader, and coach, and her books include *Coaching Classroom Instruction*, *Using Common Core Standards to Enhance Classroom Instruction and Assessment*, *Vocabulary for the Common Core*, *Questioning Sequences in the Classroom*, and *A Handbook for High Reliability Schools*. She has led school- and district-level professional development on a variety of topics, including literacy instruction and intervention, classroom and schoolwide differentiation, and instructional technology. She received her bachelor s degree from Wheaton College in Wheaton, Illinois, and her master s degrees in educational administration and K 12 literacy from Colorado State University and the University of Northern Colorado, respectively.
