### Editorial Review

From Library Journal

The aim of this book is to explain the underlying spiritual--although not necessarily religious--principles of Alcoholics Anonymous. Part 1 presents the emphasis of this spirituality, which is the recognition and especially the acceptance of humans as imperfect beings. Part 2 tells how the founders of AA put spirituality to use. Part 3 discusses the benefits: release, gratitude, humility, tolerance, and forgiveness. On nearly every page, the authors retell stories and provide anecdotes from various sources: ancient Christian, Muslim, Jewish, Greek, and more. One need not have an interest in AA to benefit from this fine introduction to spirituality. This is recommended.
