Treatment Exercises for Child Abuse Victims and Children with Sexual Behavior Problems By Toni Cavanagh Johnson

Ten treatment goals for children with sexual behavior problems are the central format of this 210 page treatment booklet. More than 50 specific and focused exercises are provided to help children and their parents meet each of the ten goals. Each exercise has four parts: the Objectives, Rationale and Purpose, Materials Needed, and Instructions. The instructions provide detailed descriptions for each exercise. A detailed chapter on teaching children the skills they need to contain their sexual and other impulsive behaviors is included. Many exercises have appealing hand-drawn exercises which can be duplicated. There are assessment instruments for: children with sexual behavior problems; parents' sexual history; family practices; boundary issues; and the parents' and children's attitudes about child sexuality.
