Worst Fears Realized (Stone Barrington Book 5) By Stuart Woods

Not a man to dwell on the past, Stone Barrington has no choice but to rattle old skeletons when the people closest to him start dying, and he has little to go on but the suspicion that the killer might be someone he once knew. The trip down memory lane isn't all bad though, for it reunites Stone with his ex-partner, Dino Bacchetti, now head of detectives in the nineteenth precinct.

Trying to find a brilliant killer in a sea of old faces is difficult enough without Stone's former love, Arrington, now Mrs. Vance Calder, resurfacing too—especially when she sets off her own fireworks coming nose to nose with his latest flame, a Mafia princess as beautiful as she is dangerous.

Caught on a thrill ride of a case that tests him as none has ever done before, Stone races to find a twisted madman with a taste for blood vengeance, with only a prayer to find him before Stone's worst fears are realized.

Editorial Review

From Publishers Weekly

There's an adequate crime tale embedded somewhere among the excess of upscale home, fashion and dining commentary here. Woods's (*Orchid Beach*) new novel opens on a high note as series hero Stone Barrington, a lawyer and ex-cop, he of the large wallet and larger libido, suffers a date from hell when his pickup, an attractive ADA, gets her throat cut while Stone is stepping out for Chinese food. The next night, Stone and a visitor, his former partner, NYPD Lt. Dino Bacchetti, witness from Stone's window another woman getting her throat slashed. The murderer escapes, but the two men think they recognize him as a wife killer they put away 12 years ago. The problem is, Herbert Mitteldorf is still in prison. Intrigue heightens as an old love reenters Stone's life, Mitteldorf is paroled and the mysterious slasher attempts to kill Dino's wife. Dino's father-in-law, Eduardo Bianchi, a godfather-like philanthropist, ensure that Dino's wife and son are safe-guarded while he feeds Stone inside information. But Stone's romance isn't protected, and when the lawyer's girlfriend flees to England, he recklessly beds Bianchi's daughter, Dolce, even as the chase for the elusive killer heats up. This wan action is padded by much description of sumptuous meals (with lots of name brands), Stone's purchase of a luxury car and Connecticut retreat, and myriad scenes drawn from the society pages. A *Elaine* of the famed *Elaine's* restaurant even turns in an extensive cameo. Woods still can write smart dialogue and knows how to pace, but it's hard to believe that the man who began his career with the dramatic, Edgar Award-winning *Chiefs* is tossing off inane stuff like this. From Library Journal

Best-selling author Woods (*Dead in the Water*) returns with his 19th novel and fifth Stone Barrington adventure. The Manhattan lawyer turned investigator faces an indictment for the murder of a woman he's just met. When other brutal murders quickly pile up, all women connected to him or his best friend, Dino Bacchetti of the 19th Precinct, know that one of a cop's worst fears has been realized: a con with a grudge is bent on vengeance. While trying to save the lives of the women he cares about, Stone struggles to track down the killer and head off a DA who's out to get him for murder. With sharply drawn characters, a plot that's satisfying to the last dirty deed, and a story that flows with the effortless grace attained only by a master, this seductive novel will have readers twitching with suspense. Highly recommended for all public libraries. [A Mystery Guild main selection and Literary Guild and Doubleday Book Club featured alternate selection.] *-Ronnie H. From Booklist

It's a cop's worst nightmare: a felon he or she sent to prison harbors a grudge, and when released, goes after the cop to extract revenge. That's exactly what happens to cop-turned-lawyer Stone Barrington when Herbert Mitteldorf comes after Stone, his ex-partner, Dino Bacchetti, and their families and close friends. Somehow Mitteldorf manages to disappear after every attack, and no one can find his hidey-hole or stop the victim list from growing longer and bloodier. Adding to Stone's problems are his romantic troubles--his longtime British girlfriend leaves in a huff, and the beautiful, sexy daughter of a Mafia don is panting to get him into bed. Woods' Stone Barrington series continues to offer solid escapist entertainment, combining the sophistication of a Nick and Nora Charles plot, the macho charm and tongue-in-cheek humor of a James Bond flick, the crisp dialogue of a Spenser mystery, and the slam-bang action of a Schwarzenegger film. *Emily Melton*
