### Carnal Innocence By Nora Roberts

*In the small town of Innocence, Mississippi, days are long, nights are fragrant, and secrets are hard to keep. But when a brutal killer starts claiming the lives of the town's most attractive women, lifelong neighbors are forced to wonder if the culprit is a stranger lurking in the bayou...or someone right next door.*

Burned out by a whirlwind career, world-famous concert violinist Caroline Waverly arrives in Innocence looking for a little peace and some time to think. She hopes that a stay at her late grandmother's house--the one with a covered porch just made for soft summer nights--will provide the tranquillity she needs. But Innocence has something else to offer Caroline: handsome, charming Tucker Longstreet.

Tucker is known for keeping his romances short and shallow. But one look at Caroline, and Tucker realizes that she is unlike any other woman he's met. The coolly reserved Caroline feels an unexpected thrill at his ardent advances. But when she discovers a third murder victim in the murky waters behind her home, her summer liaison threatens to become much more. Because there's just one small problem with her new romance: Tucker is the leading suspect in the killings.

#### Amazon.com Review

Old favorite. Bestselling author Nora Roberts grabs her readers from page one. Innocence, Mississippi, isn't innocent for long when a murderer strikes the sleepy town. Concert violinist Caroline Waverly has returned to her deceased grandparents home to escape high-pressured concert tours. She is soon caught up by the irresistible charm of Southerner Tucker Longstreet. The dark secrets of Innocence soon begin to surface and together Caroline and Tucker not only face a murderer but discover secrets from the past.

#### From Publishers Weekly

Roberts ( *Genuine Lies* ) plunks a pair of likable lovers into an equally likable rural Southern community; she then keeps the story from turning sweeter than blackstrap molasses by setting loose a serial killer. World-class violinist Caroline Waverly, recovering from a breakdown and an affair gone bad, arrives at her grandparents' house in Innocence, Miss., looking for peace and quiet; what she discovers is the naked, mutilated corpse of Edda Lou Hatinger. Only days earlier, Edda Lou had thrilled local gossips by publicly blowing up at Tucker Longstreet: he wanted out of their affair; she wanted marriage. Edda Lou is the third woman stabbed to death recently, so local police call in Matthew Burns, a federal investigator who specializes in tracking serial killers. In the meantime, Tucker decides to be right neighborly to Caroline, and after her initial resistance crumbles, she responds to his Southern charm. Tucker is on Matthew's list of suspects, and soon a fourth dead woman is found on the Longstreet family property. Caroline, too, faces the knife as she is drawn into a confrontation in which she learns who is behind the deaths.
