The Riverside Chaucer By Geoffrey Chaucer

The third edition of the definitive collection of Chaucer's Complete Works, reissued with a new foreword by Christopher Cannon. Since F. N. Robinson's second edition of the The Works of Geoffrey Chaucer was published in 1957, there has been a dramatic increase in Chaucer scholarship. This has not only enriched our understanding of Chaucer's art, but has also enabled scholars, working for the first time with all the source-material, to recreate Chaucer's authentic texts. For the third edition, an international team of experts completely re-edited all the works, added glosses to appear on the page with the text, and greatly expanded the introductory material, explanatory notes, textual notes, bibliography, and glossary. In short, the Riverside Chaucer is the fruit of many years' study - the most authentic and exciting edition available of Chaucer's Complete Works.

Editorial Review

Review

offers a much-needed shot in the arm to Chaucer studies in colleges and universities Modern Language Review indispensable for scholars and beginners alike ... Professor Larry D Benson ... deserves a medal both for organizing a formidable team of American and British scholars and for the excellence of his own contributions. IBooks an enormous advance on its predecessor ... particularly in its informative introductory materials, glossary ... and the addition of explanatory notes at the foot of each page. At well over 1,300 pages, it must be a bargain. Country Life This is a comprehensive, readable ... and up-to-date edition of the first major English poet ... the Riverside editors have served their poet handsomely. The new texts are improvements on which reveal just how brilliant an editor Robinson was, despite his limited access to the manuscripts.' The Guardian The Riverside Chaucer ... is beautiful to look at and a sensuous delight to handle. Within its stout covers the entire works of the father of English literature are displayed in fine clear type with very adequate footnote glossaries. The linguistic, historical and literary scholarship are a masterpiece of Anglo-American collaboration. The reading of Chaucer is made into an exquisite pleasure, not a philological chore. This is the best edition of Chaucer in existence. Anthony Burgess It is a sheer pleasure to read. Good Book Guide

About the Author

Larry D. Benson, Harvard University. , Based on the edition by F. N. Robinson.

Users Review

From reader reviews:

James Stumbaugh:

Throughout other case, little folks like to read book The Riverside Chaucer. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important some sort of book The Riverside Chaucer. You can add know-how and of course you can around the world by the book. Absolutely right, since from book you can know everything! From your country right up until foreign or abroad you will find yourself known. About simple matter until wonderful thing it is possible to know that. In this era, you can open a book or maybe searching by internet gadget. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's read.

Bonnie Skelton:

Typically the book The Riverside Chaucer has a lot of knowledge on it. So when you make sure to read this book you can get a lot of profit. The book was compiled by the very famous author. The author makes some research prior to write this book. This specific book very easy to read you can get the point easily after looking over this book.

Fred Martinez:

Are you kind of active person, only have 10 as well as 15 minute in your day to upgrading your mind skill or thinking skill even analytical thinking? Then you have problem with the book compared to can satisfy your short period of time to read it because this all time you only find publication that need more time to be go through. The Riverside Chaucer can be your answer given it can be read by you actually who have those short spare time problems.

Sandra Easley:

Is it you who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This The Riverside Chaucer can be the reply, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
