**Administrative Law and Regulatory Policy: Problems Text, and Cases, Seventh Edition (Aspen Casebook)** By Stephen G. Breyer, Richard B. Stewart, Cass R. Sunstein, Adrian Vermeule, Michael Herz

Outstanding authorship, rich materials, and systematic coverage are the hallmarks of **Administrative Law and Regulatory Policy**, now in its **seventh edition**. Administrative procedure is examined in light of substantive policy debates in areas such as health, safety, environmental protection, and economic regulation. Questions, notes, and problems support thoughtful reading and analysis of Supreme Court decisions, agency actions, and matters of contemporary debate.

A careful and rigorous revision, the **Seventh Edition** updates content throughout, gives consistent attention to detail, and tightens the presentation. Combining attention to the most recent developments in the field with the rigor and breadth that have always characterized this classic book, the **Seventh Edition** offers a thorough and timely overview of administrative law.

**Timeless features of this landmark casebook:**

- **logical organization** that reveals the interaction of doctrine and procedure, as well as bureaucratic and political factors
- **Notes and Problems** that methodically explore all aspects of regulatory law and policy
- historical background material that shows how the New Deal changed American government
- **in-depth consideration of the justifications for and tools of regulation**

**New in the Seventh Edition**

- completely revised materials on **presidential appointment and removal**
- **coverage of e-rulemaking, the Obama Administration's transparency and openness initiatives**, and other uses of new technologies
- material on the **Information Quality Act, midnight regulations, and guidance documents**

- a brief new section on **global administrative law**
- **key Supreme Court decisions:** Free Enterprise Fund v. PCAOB, Gonzales v. Oregon, Massachusetts v. EPA, FCC v. Fox Television Stations, Inc., Woodford v. Ngo
- **streamlined Notes and Questions**
- expanded statutory appendix
