After School Activities By Dirk Hunter

Two guys insist on complicating Dylan O'Connor's life: one, his bully, and the other, his best friend.

It started out simple enough. Step one, outsmart Adam with wit and flair, goad him into doing something stupid, and land him in detention. Step two, play video games with Kai all night and laugh about it. Go to bed. Repeat tomorrow. Only, Adam and Kai are about to change the rules on him.

First, Adam's bullying turns suddenly violent, leaving Dylan to wonder if his bully really needs a friend. Then, Kai makes an unexpected move Dylan has only imagined in his most secret fantasies. Only he'd never dreamed it might come at a price.

While Adam opens up, coming closer to revealing a secret he's kept his entire life, Kai pulls away?even as they get closer than ever.

With everything he thought he understood turned upside down, Dylan must decide what he really wants from the men in his life?before inaction loses him the very relationships he's always relied on.

No pressure, Dylan. You got this. It's just love. How hard could it be?
