Employee Training & Development, 4th Edition By Raymond A. Noe

Raymond Noe's "Employee Training and Development" sets the standard in this course area. Its popularity is due to the lively writing style and inspiring examples of the most up-to-date developments in training, research and in practice, including the strategic role of training and the use of new technologies in training. "Employee Training and Development" strikes a balance between research and real company practices. It provides students with a solid background in the fundamentals of training and development including needs assessment, transfer of training, designing a learning environment, methods, and evaluation.
