Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment From Brand: Wiley

A comprehensive guide to the identification, assessment, and treatment of child sexual abuse

The field of child sexual abuse has experienced an explosion of research, literature, and enhanced treatment methods over the last thirty years. Representing the latest refinements of thought in this field, *Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment* combines the most current research with a wealth of clinical experience.

The contributing authors, many of whom are pioneers in their respective specialties, include researchers and clinicians, forensic interviewers and law enforcement professionals, caseworkers and victim advocates, all of whom do the work of helping children who have been sexually victimized.

Offering a snapshot of the state of the field as it stands today, *Handbook of Child Sexual Abuse* explores a variety of issues related to child sexual abuse, from identification, assessment, and treatment methods to models for implementation and prevention, including:

- The impact of sexual abuse on the developing brain
- The potential implications of early sexual victimization
- Navigating the complexities of multidisciplinary teams
- Forensic interviewing and clinical assessment
- Treatment options for children who have traumagenic symptoms as a response to their sexual victimization
- Treating children with sexual behavior problems and adolescents who engage in illegal sexual behavior
- Secondary trauma and vicarious traumatization
- Cultural considerations and prevention efforts

Edited by a leader in the field of child therapy, this important reference equips helping professionals on the front lines in the battle against child sexual abuse—not merely with state-of-the-art knowledge—but also with a renewed

vision for the importance of their role in the shaping of our culture and the healing of victimized children.

Editorial Review

Review

"...includes a solid lineup from experts in the field and provides an overview of the many areas one needs to attend to when working with this population. In addition to professionals specializing in treating sexually victimized children and adolescents, the utility of the handbook extends to the general pool of professionals providing mental health and child welfare services in the United States. This comprehensive handbook provides an excellent grounding in the topic, with guidance related to the most effective ways to respond based on current research." (*PsycCRITIQUES*, September 2012, Vol. 57, Release 37, Article 6)

About the Author

Paris Goodyear-Brown, LCSW, RPT-S, has seventeen years of experience in treating sexually abused children and adolescents. Internationally recognized as a dynamic speaker and innovative clinician, she serves as an Adjunct Professor of Psychiatric Mental Health at Vanderbilt University, guest lectures at several universities in middle Tennessee, provides consultation and training for a variety of agencies, and sees clients in an outpatient setting. She is the author of numerous books, articles, and book chapters, including *Play Therapy with Traumatized Children: A Prescriptive Approach* (Wiley).

Users Review

From reader reviews:

Minerva Gagliano:

Book is to be different per grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The book Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment is not only giving you considerably more new information but also being your friend when you sense bored. You can spend your own spend time to read your reserve. Try to make relationship with the book Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment. You never really feel lose out for everything when you read some books.

Jim Moffett:

In this 21st centuries, people become competitive in each way. By being competitive currently, people have do something to make these survives, being in the middle of often the crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yes, by reading a guide your ability to survive increase then having chance to stand up than other is high. For you personally who want to start reading some sort of book, we give you this Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment book as starter and daily reading guide. Why, because this book is greater than just a book.

Jeffery Whitley:

Your reading sixth sense will not betray you, why because this Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment e-book written by well-known writer whose to say well how to make book that can be understand by anyone who read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your own personal hunger then you still hesitation Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment as good book but not only by the cover but also with the content. This is one reserve that can break don't judge book by its protect, so do you still needing another sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listening to one more sixth sense.

Ronald Griffin:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment can make you really feel more interested to read.
