## **Life is a Brief Opportunity for Joy** By Will Meyerhofer

Meyerhofer's first book, *Life is a Brief Opportunity for Joy*, published in 2010, was intended as an introduction to the experience of psychotherapy. The result is a brief text intended to get you thinking like a therapist. It makes an excellent introduction to anyone curious about psychotherapy, its philosophical and scientific underpinnings - and how the process actually works to "unblock" a person and permit them to experience joy in living.
