Editorial Review

Amazon.com Review

Unless Peter Parker decides to pen his *own* autobiography someday, you're not going to find a better guide than this to the life and times of your friendly neighborhood Spider-Man. From that fateful radioactive bite in the science hall up to Spidey 2099, DK's *Ultimate Guide* recounts all the career milestones--major and minor--of Stan Lee's web-slinging wall-crawler. Organized and authored by Tom DeFalco, former Marvel editor in chief and the series' bestselling author, this guide pulls together the storyline's many twists and turns (chronologically, by decade) and devotes big spreads to nearly every noteworthy ally, friend, and villain (with one curious omission in the Shocker). Special sections cover episodes like the alien costume, the regrettable clone saga, and the wedding to Mary Jane, while panel after panel of original art (over 600 images in all) flesh out the action (a particular treat with the corny old dialogue and art).

DeFalco makes some small missteps--inevitable in any fan-boy project--and certainly *The Ultimate Guide* will feel dated as the series evolves, but as a comprehensive guide, it just doesn't get any better. Throw in a foreword by the inimitable Stan Lee, and you've got a book that would make even Peter Parker proud. --*Paul Hughes*

About the Author

Ranking as the web-slinger's top-selling comic-book author, Tom DeFalco has written about the adventures of Spider-Man and his friends for over 20 years. At one point, he was even Marvel's Editor-in-Chief. Other titles Tom has written for Marvel include *Fantastic Four: Nobody Gets Out Alive* and *Thor: Alone among the Celestials*. He also edited the definitive *Official Handbook of the Marvel Universe*.

Users Review

From reader reviews:

Juan Elam:

Book is to be different per grade. Book for children until finally adult are different content. As you may know that book is very important usually. The book Spider-Man: The Ultimate Guide (Amazing Spider-Man (DK Publishing)) had been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The reserve Spider-Man: The Ultimate Guide (Amazing Spider-Man (DK Publishing)) is not only giving you a lot more new information but also being your friend when you really feel bored.
