**The Dragon Legacy: The Secret History of an Ancient Bloodline** By Nicholas de Vere, Tracy R. Twyman

This book outlines in detail the ancient dragon bloodline, going much further than his previous book, *Genesis of the Grail Kings*, co-authored with Sir Laurence Gardner. Where did the bloodline come from and what did it mean? Were those who carried it blessed with great powers? What influence did they have on the ancient world? Did elves, fairies and vampires really exist? If so, who were they? This extremely well-researched book reveals many mysteries from our past, including why the actual blood from this bloodline is so important, what kind of magic once existed and how it was lost.
