The Love Letters of a Portuguese Nun By Gabriel de Lavergne

The "Portuguese Letters" were published anonymously in 1669, alleged translations into French of letters written by a Portuguese nun to a French officer who had loved and left her. Recent scholarship suggests Guilleragues was their author. Reminiscent of the exchanges between Heloise and Abelard of an earlier time, the letters display a remarkable acuity of psychological insight into the mind of a woman in love and on the edge of hysteria.
