Editorial Review

Review

"One of the best precalculus texts on the market . . . This is a wonderful text. Its strength is in the problems. I love the number and level of applications. The authors have also succeeded in designing a text for the use or non-use of the graphing calculator."

About the Author

Jeffery A. Cole has been teaching mathematics and computer science at Anoka-Ramsey Community College since fall 1981. He started working on the Swokowski series of precalculus texts in 1985 as an ancillary author, and has been a co-author since 1991. His contribution to the Swokowski texts also includes joining the revision team of the calculus text in 1989.
