**Mischling** By Affinity Konar

**A New York Times Notable Book**

**An Amazon Best Book of the Year**

**A Barnes & Noble Discover Pick**

**An Indie Next Pick**

**A Publishers Weekly Best Book of the Year**

**A Flavorwire Best Book of the Year**

**An Elle Best Book of the Year**

**"One of the most harrowing, powerful, and imaginative books of the year"**  
(Anthony Doerr) about twin sisters fighting to survive the evils of World War II.

**Pearl is in charge of: the sad, the good, the past.**

**Stasha must care for: the funny, the future, the bad.**

**It's 1944 when the twin sisters arrive at Auschwitz with their mother and grandfather. In their benighted new world, Pearl and Stasha Zagorski take refuge in their identical natures, comforting themselves with the private language and shared games of their childhood.**

**As part of the experimental population of twins known as Mengele's Zoo, the girls experience privileges and horrors unknown to others, and they find themselves changed, stripped of the personalities they once shared, their identities altered by the burdens of guilt and pain.**

**That winter, at a concert orchestrated by Mengele, Pearl disappears. Stasha grieves for her twin, but clings to the possibility that Pearl remains alive. When the camp is liberated by the Red Army, she and her companion Feliks--a boy bent on vengeance for his own lost twin--travel through Poland's devastation. Undeterred by injury, starvation, or the chaos around them, motivated by equal parts danger and hope, they encounter hostile villagers, Jewish resistance fighters, and fellow refugees, their quest enabled by the notion that Mengele may be captured and brought to justice within the ruins of the Warsaw Zoo. As the young survivors discover what has become of the world, they must try to imagine a future within it.**

**A superbly crafted story, told in a voice as exquisite as it is boundlessly original, MISCHLING defies every expectation, traversing one of the darkest moments in human history to show us the way toward ethereal beauty, moral reckoning, and soaring hope.**

### Editorial Review

#### Amazon.com Review

**An Amazon Best Book of September 2016:** It's not easy picking up a book involving Auschwitz's infamous "Angel of Death." But once you pick up Affinity Konar's *Mischling*, you will have a very difficult time putting it down. Inspired by the real-life experiences of twins Eva and Miriam Mozes, Konar's beautifully written and powerful novel imagines what it was like being forced to take part in Josef Mengele's horrific human experiments. This man, this monster, is not the star of the story though. 12-year-old siblings Pearl and Stasha are, and it is they who convey *Mischling*'s overarching message, something that is perhaps even more incomprehensible than man's inhumanity to man: the capacity to forgive it. If Konar is concerned about whether or not these pages honor the memory of the brave souls who agitated against the cruel hand the world dealt them, she should rest easy. And hopefully those souls are too. --*Erin Kodicek, The Amazon Book Review*

#### Review

"Konar describes [these horrors] beautifully, lyrically, in the language of a fable...readers who allow themselves to fall under the spell of Konar's exceptionally sensitive writing may well find the book unforgettable."--**Ruth Franklin, *New York Times Book Review***

"Konar makes the emotional lives of her two spirited narrators piercingly real... doubts are steamrolled by Konar's ability to powerfully convey the experiences of her heroines: their resourcefulness and will to survive; their resilience and faith in a future even in the face of extermination; and Pearl's remarkable determination to embrace forgiveness.... What is most haunting about the novel is Konar's ability to depict the hell that was Auschwitz, while at the same time capturing the resilience of many prisoners, their ability to hang on to hope and kindness in the fact of the most awful suffering--to remain, in Elie Wiesel's words, humane 'in an inhumane universe.'"--**Michiko Kakutani, *New York Times***

"Riveting."--**Pamela Paul, *New York Times Book Review***

"*Mischling* is a paradox. It's a beautiful novel about the most odious of crimes, it's a deeply-researched act of remembrance that somehow carries the lightness of a fairy tale, and it's a coming-of-age story about children who aren't allowed to come of age. If your soul can survive the journey, you'll be rewarded by one of the most harrowing, powerful, and imaginative books of the year."--**Anthony Doerr, author of *New York Times* bestseller *All The Light We Cannot See***

"Affinity Konar's MISCHLING is a tale of courage, courageously told - spare and beautiful, riveting and heartrending. Half of me wanted to linger over every page, the other half insisted I race ahead. It's a case of extraordinary storytelling from first page to transcendent last."--**David Wroblewski, author of the *New York Times* bestseller *The Story of Edgar Sawtelle***

"Konar has woven a masterful and poignant account of a pair of twin sisters who cannot be separated, even by the cruelest hand of fate. Her prose is mystical and delicately poetic, and she uses her manifold gifts to tell a deeply engaging story of fortitude and triumph. Bravo."--**Lucette Lagnado, author of *Children of the Flames* and *The Man in the Sharkskin Suit*, winner of the Sami Rohr Prize for Jewish Literature**

"Affinity Konar is an astonishing and fearless writer, whose great gift to us is this book. With incantatory

magic, she marches through the most nightmarish of landscapes, swinging her light."

**?Karen Russell, author of *Swamplandia***

"Affinity Konar's *Mischling* is a piercing novel written with chin-up virtuosity. The prose is dazzling, and the story of these twins is moving and searing, and as powerful as the best mythic stories of the masters of old."**?Chigozie Obioma, author of *The Fishermen***

"Reading *Mischling* reminds me of looking at the images that came back from the Hubble space telescope: it's the night sky we think we know so well, and it's something we've never seen before. Affinity Konar's work is beautiful and essential."**?Rivka Galchen, author of *Atmospheric Disturbances***

"*Mischling* transported me to another world. It's a world that's part of our history, of course, and in a book that's so much about illusion, the true sleight of hand is that Affinity Konar allows us to see it anew. Brace yourself for a novel unlike any you've ever read."

**?Cristina Henriquez, author of *The Book of Unknown Americans***

"*Mischling* is a phenomenal book--harrowing and heartbreak, intimate and epic--and Affinity Konar is a wise and compassionate writer with talent in spades. An achingly beautiful novel that will stay with me for a long, long time."

**?Molly Antopol, author of *The UnAmericans***

"This novel, haunted by history and the unknowable power of family, is made bearable--indeed, necessary--by the spectacle of a literary imagination that observes no limits. Konar has produced a tremendously unsettled work of art."

**?Ben Marcus, author of *The Flame Alphabet***

"Konar makes every sentence count; it's to her credit that the girls never come across as simply victims: they're flawed, memorable characters trying to stay alive. This is a brutally beautiful book."

**?Publishers Weekly, starred review**

"Fiction of rare poignancy--and astonishing hope.... An unforgettable sojourn of the spirit."

**?Booklist, starred review**

"Konar's *Mischling* is a luminous tale of hope in the shadow of the Holocaust."

**?Vanity Fair**

"Astonishing. Complicated. Heartbreaking. Powerful. Devastating. Sublime.... A book for once deserving of those all too overwrought, overused descriptors."

**?Elle**

"A truly original story of the horrors of the Holocaust and life after."

**?Marie Claire**

"Unflinching.... Konar constructs a sinuous plot from the chaos of the postwar landscape... It is certainly miraculous, and moving, that any of these victims survived, and Konar is wise to keep her focus not on the incomprehensibly sadistic Mengele in his shiny black boots, but on the children themselves."

**?Washington Post**

"Though Konar's work is fiction, her research into historical figures and accounts helped form the key characters and episodes within it. Her writing bears a pointed edge, but also has a striking cadence that is often beautiful and poetic."

**?Bookpage**

"A spare, stunning debut that's a must-read."

**?Barnes & Noble**

"Drawn from the abundant documentation of the Holocaust, Konar's unbearable but transcendent debut novel imagines the ordeal of Jewish twins at the hands of the jovial sociopath they are asked to call "Uncle Doctor." In its blend of realism and fantasy, cruelty and beauty, the book itself affirms the value of mischling.... Konar's novel is filled with exquisitely crafted phrases...nevertheless, the aesthetic achievement of *Mischling* cannot redeem the world after Auschwitz. It merely illuminates it, woefully, brilliantly."

**?Dallas Morning News**

"Konar's evocative storytelling, fierce characters and haunting prose make *Mischling* equally hard to put down."

**?USA Today**

"A triumphant first novel.... In what could be the bleakest of worlds, *Mischling* gives us moments of transcendent hope and even beauty."

**?O, the Oprah Magazine**

"Full of rich historical detail, *Mischling* is a captivating story of survival in the worst circumstances imaginable.... Despite these atrocities, there is a mystical wonder present in the story--the world might be in blames, but the universe provides... It is hard to describe the alchemy that Konar performs to make this story so uplifting.

**?Bookbrowse**

"The sheer beauty of the language in *Mischling* is one of the things that makes the book unlike most other Holocaust novels."

**?Kirkus**

"There isn't a page in this novel that isn't also shining with hope and love, and that's what makes this beautiful book worth the read."

**?Book Riot**

**About the Author**

Affinity Konar was raised in California. She has an MFA in fiction from Columbia University.

## **Users Review**

### **From reader reviews:**

#### **Peter Tesch:**

The book Mischling can give more knowledge and also the precise product information about everything you want. So just why must we leave the great thing like a book Mischling? A few of you have a different opinion about book. But one aim this book can give many info for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or facts that you take for that, you can give for each other; it is possible to share all of these. Book Mischling has simple shape nevertheless, you know: it has great and large function for you. You can appear the enormous world by start and read a book. So it is very wonderful.

#### **Lyle Morales:**

Often the book Mischling has a lot associated with on it. So when you read this book you can get a lot of gain. The book was written by the very famous author. The author makes some research ahead of write this book. This specific book very easy to read you can obtain the point easily after looking over this book.

#### **Sarah Acres:**

Mischling can be one of your starter books that are good idea. Most of us recommend that straight away because this publication has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to get every word into enjoyment arrangement in writing Mischling but doesn't forget the main point, giving the reader the hottest as well as based confirm resource details that maybe you can be one among it. This great information may drawn you into brand new stage of crucial imagining.

#### **Antonio Mock:**

That e-book can make you to feel relax. This kind of book Mischling was multi-colored and of course has pictures on the website. As we know that book Mischling has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading this.
