**The Curse of Lono** By Hunter S Thompson

**A wild ride to dark Americana: Hunter S. Thompson's and Ralph Steadman's most eccentric book**

*The Curse of Lono* is to Hawaii what *Fear and Loathing* was to Las Vegas: a journalist's news event “coverage” that ends up an unclassifiable twist of fiction and reportage, myth and crazed surrealism. Featuring all of the **zany, hallucinogenic wordplay and feral artwork** for which the **Hunter S. Thompson/Ralph Steadman** duo became known and loved, the book was at once their exemplary and most eccentric output.

The original edition of *The Curse of Lono*, published 1983, had long been out of print when TASCHEN brought out a signed, limited re-edition almost a decade ago. The book sold out before it even hit the stores. Now available as a standard TASCHEN edition, this fresh, smaller format, makes the gonzo masterpiece accessible to everyone.
