Editorial Review

From Publishers Weekly

Despite the breezy writing, this examination of current views and practices in the exercise of employee rights will serve better as a reference work than for casual reading. Encouraging workers to take full possession of their rights, lawyer Rapoport and editor Zevnik cite literally hundreds of cases to show how employees are faring in such areas as whistleblowing, sexual harassment, substance-abuse testing, privacy rights (including searches and polygraph testing), age discrimination, performance appraisal by superiors and discipline. Concluding chapters cover the increasingly important roles of employee handbooks and the Equal Employment Opportunity Commission and discuss what an employee has to gain and to lose by bringing suit. Figures and tables not seen by PW.

Users Review

From reader reviews:

Tom Copper:

Here thing why this The Employee Strikes Back! are different and trusted to be yours. First of all reading a book is good but it depends in the content from it which is the content is as delightful as food or not. The Employee Strikes Back! giving you information deeper and in different ways, you can find any reserve out there but there is no reserve that similar with The Employee Strikes Back!. It gives you thrill looking at journey, its open up your current eyes about the thing that will happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in area, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of The Employee Strikes Back! in e-book can be your alternate.

Robert Music:

The particular book The Employee Strikes Back! has a lot details on it. So when you read this book you can get a lot of profit. The book was written by the very famous author. Tom makes some research previous to write this book. This particular book very easy to read you will get the point easily after reading this article book.

Freddie Straughter:

This The Employee Strikes Back! is great reserve for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great plan word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with lovely delivering sentences. Having The Employee Strikes Back! in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that

no publication that offer you world inside ten or fifteen small right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

Santiago Klein:

As we know that book is vital thing to add our knowledge for everything. By a book we can know everything we really wish for. A book is a range of written, printed, illustrated or blank sheet. Every year ended up being exactly added. This reserve The Employee Strikes Back! was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has different feel when they reading the book. If you know how big selling point of a book, you can truly feel enjoy to read a book. In the modern era like today, many ways to get book that you just wanted.
