**Therese Raquin (Penguin Classics)** By *Émile Zola*

**Zola's classic novel of turbulent passion, now appearing on Broadway at the Roundabout Theatre starring Keira Knightley**

In a dingy apartment on the Passage du Pont-Neuf in Paris, Thérèse Raquin is trapped in a loveless marriage to her sickly cousin, Camille. The numbing tedium of her life is suddenly shattered when she embarks on a turbulent affair with her husband's earthy friend Laurent, but their animal passion for each other soon compels the lovers to commit a crime that will haunt them forever. **Thérèse Raquin** caused a scandal when it appeared in 1867 and brought its twenty-seven-year-old author a notoriety that followed him throughout his life. Zola's novel is not only an uninhibited portrayal of adultery, madness, and ghostly revenge, but also a devastating exploration of the darkest aspects of human existence.

Robin Buss's translation superbly conveys Zola's fearlessly honest and matter-of-fact style, combining fidelity to Zola's idiosyncrasies with easy fluency in English. This edition also includes an introduction discusses Zola's life and literary career and the influence of art, literature, and science on his writing, as well as the preface to the author's second edition of 1868, a chronology, suggestions for further reading, and notes.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## **Editorial Review**

Review

"A gripping yarn" Guardian

Language Notes

Text: French

From the Back Cover

'Therese Raquin' is a clinically observed, sinister tale of adultery and murder among the lower orders in nineteenth-century Paris. Zola's dispassionate dissection of the motivations of his characters, mere 'human beasts' who kill in order to satisfy their lust, is much more than an atmospheric Second Empire period-piece. 'Therese Raquin' stands as a key early manifesto of the French Naturalist movement, of which Zola was the founding father. Even today, this novel has lost none of its power to shock.

## **Users Review**

**From reader reviews:**

**Frank Craver:**

As people who live in often the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era that is certainly always change and move ahead.
