*For courses in Human Geography*

*This package includes MasteringGeography™*

#### **Eye-catching learning modules get students straight to the important concepts**

*Contemporary Human Geography* is a beautifully crafted, modular springboard into essential human and cultural geography concepts, designed for the contemporary geography student. This brief, innovative text explores current human geography in the bold visual style that distinguishes Dorling Kindersley (DK) publications. Topics within each chapter are organized into modular, self-contained, two-page spreads. Together with the graphics, Rubenstein's efficient writing presents information clearly without sacrificing the high-quality geography content essential to students and instructors. The **Third Edition** offers an updated cartography program, new pedagogical tools to help guide students, and the latest data and applications.

#### **Personalize learning with MasteringGeography**

MasteringGeography is an online homework, tutorial, and assessment program designed to work with *Contemporary Human Geography* to engage students and improve results. Interactive, self-paced coaching activities provide

individualized coaching to keep students on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.

### Editorial Review

#### About the Author

**James M. Rubenstein** received his Ph.D. from Johns Hopkins University in 1975. He was Professor of Geography at Miami University, Oxford, Ohio, where he taught urban and human geography, and where he helped develop the new Sustainability co-major in the Institute for the Environment & Sustainability.

He is also the author of Pearson's *The Cultural Landscape* and *Introduction to Contemporary Geography*. He is often invited to give talks and presentations at colleges, high schools, and professional meetings.

Rubenstein works as a regional consultant for the Chicago Federal Reserve Bank and he conducts research in the automotive industry. He is often interviewed by the media on automotive and economic issues, and has published three books on the subject: *The Changing U.S. Auto Industry: A Geographical Analysis* (Routledge); *Making and Selling Cars: Innovation and Change in the U.S. Auto Industry* (The Johns Hopkins University Press); and *Who Really Made Your Car? Restructuring and Geographic Change in the Auto Industry* (W.E. Upjohn Institute, with Thomas Klier).

He is a semi-amateur, semi-professional painter, and displays his work at galleries in Maryland and Ohio.
