Don't Limit God: Imagine Yourself Successful By Andrew Wommack

God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for us. To be able to see big things happen like healing, prosperity in finances and restoration of marriages, you have to let the Word of God paint a picture on the inside of you. Often, if you meditate on that and let the Word of God work, the limits are taken off and what you are praying to happen, will come to pass. In this book, author Andrew Wommack helps you to recognize the areas that you are limiting God so that you can move forward and fulfill His will for your life. Once you take the limits off God, watch what He will do in you and through you!
