Effective Problem Solving (2nd Edition) By Marvin Levine

For freshman through senior-level courses on Critical Thinking, Cognition, or Problem Solving.

- This brief survey of creative problem solving offers a collection of specific, practical procedures that one should use for various classes of problems – ranging from machines that need repairing, to mathematical puzzles, engineering problems, poorly defined industrial problems, comprehending lectures and reading, remembering information, invention, and difficulties between people.
- The principles – which are based on research and theory in cognitive psychology – are applied to problems in daily living and focus on how to overcome one's own limitations in trying to solve a problem. Students thus learn principles for dealing with problems as well as what it is about themselves that can make the problem more or less difficult.

Editorial Review

From the Publisher

This brief survey of creative problem solving offers a collection of specific, practical procedures that one should use for various classes of problems -- ranging from machines that need repairing, to mathematical puzzles, engineering problems, poorly defined industrial problems, comprehending lectures and reading, remembering information, invention, and difficulties between people. The principles -- which are based on research and theory in cognitive psychology -- are applied to problems in daily living and focus on how to overcome one's own limitations in trying to solve a problem. Students thus learn principles for dealing with problems as well as what it is about themselves that can make the problem more or less difficult.

From the Back Cover

This brief survey of problem solving applies a series of prescriptive principles to a wide range of domains, including appliance repair, mathematics, logic puzzles, reading comprehension, remembering, invention, and interpersonal problems. The sheer breadth of application makes this an uncommon text.

Users Review

From reader reviews:

Jean Young:

Within other case, little individuals like to read book Effective Problem Solving (2nd Edition). You can choose the best book if you want reading a book. Provided that we know about how is important a new book Effective Problem Solving (2nd Edition). You can add information and of course you can around the world by way of a book. Absolutely right, mainly because from book you can know everything! From your country till foreign or abroad you can be known. About simple issue until wonderful thing you can know that. In this era, we are able to open a book or maybe searching by internet system. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's go through.

Nathaniel Gonzalez:
