### **Red: My Autobiography** By Gary Neville

No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup-winning team that became known as 'Fergie's Fledglings', outspoken representative of MUFC, Neville is the ultimate one-club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell it all.

Authoritative, insightful, fearless and never less than 100% honest, no-one has better credentials for documenting the story of United under Sir Alex Ferguson. Neville reveals the behind-the-scenes secrets of his early days with the likes of Giggs, Scholes and his best mate David Beckham; what it was like to play with Cantona, Keane and Ronaldo; the Treble in 1999; and of course an entire career of playing for the greatest manager in the game.

Then there are all his experiences with England, from being the youngest starter at Euro 96 when football came home, to the ups and downs of five major championships and seven managers - Venables, Hoddle, Wilkinson, Keegan, Eriksson, McClaren and Capello. There are opinions and analysis on Gazza, Rooney, WAGs and the true story of the FA and Rio Ferdinand.

For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story.

## Editorial Review

### Review

"Rich in detail and insight... fascinating stuff" -- Sam Wallace Independent "Nevastating" -- Steven Howard The Sun "The English generally like their professional footballers to be either thick or humble, preferably both. Gary Neville is neither and has taken plenty of flak about daring to have opinions. If he was Dutch or Italian, rather than from Bury, he'd be considered an intellectual and his views sought on world affairs" When Saturday Comes "Refreshing honesty... Although he's generally disliked by non-United fans and even derided as one of the least talented in a remarkable generation, you have to admire his staying power. His memoir presents a rounded footballer aware of the importance of work and the dedication needed to stay at the pinnacle of the game" -- Rob Greig Time Out

### About the Author

**Gary Neville** is a former English soccer player. He is England's most capped right-back and was Manchester United's club captain for five years. He has won the Premier League eight times, the FA Cup three times, the Champions League twice and the League Cup to complete a remarkable set of medals. He has also appeared in two World Cups and three European Championships for his country.

## Users Review

### From reader reviews:

#### Lillie Moreland:

What do you about book? It is not important along? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question due to the fact just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is appropriate.
