The Blair Effect: The Blair Government 1997-2001 From Little, Brown Book Group

The Blair Effect is a collection of authoritative and (reasonably) unpartisan commentaries on the first administration of Tony Blair as it approaches a General Election. The authors demonstrate that it is possible to write contemporary history about even the most recent past in an accessible yet scrupulously objective manner. Contributors include Peter Riddell, Vernon Bogdanor, Dennis Kavanagh, and a host of other star analysts.

Editorial Review

From Library Journal

As part of his series on government (e.g., Britain Under Thatcher, The Foreign Office), Seldon (Brighton Coll., England) assembles 28 essays by political writers on the domestic, foreign, and financial policies pursued by Blair's government. The chapters are uniformly well written, getting readers up to speed before plunging into the Blair New Labor government and its contrast with traditional Labor. Starting with a tax hike and following with increased education spending, the surrender of financial controls to the Bank of England, the devolution of power to local government in Wales, Scotland, and, to a lesser degree, Northern Ireland, and other policies that moved Labor to the center from the left, Blair has surprised many. Political success and more substantial changes than previous Labor governments may be Blair's legacy, but this work is too recent to offer more than tentative conclusions. Recommended specifically for academic collections.

Review

It is a treat. **OBSERVER**

The indispensable new guide to what has happened so far. **GUARDIAN**

The best book on the Blair government. Essential reading. **David Butler**

Relax, we can still produce commentators and critics of the highest class. Anthony Seldon has put together an admirable collection of essays on the work of the Blair government to date. **FINANCIAL TIMES**

About the Author

Anthony Seldon is the headmaster of Brighton College and edited THE THATCHER EFFECT and THE MAJOR EFFECT. He is the biographer of John Major.

Users Review
