How to Draw People (Dover How to Draw) By Barbara Soloff Levy

By joining circles, ovals, rectangles, cylinders, and other common shapes, even the budding artist can easily create 30 different characters — a fireman, a drummer, a mailman, a cowboy, an astronaut, a roller-skating girl, a boy on a swing, and more. Simple directions, step-by-step illustrations, and blank practice pages make it even easier. You can color the pictures when you are done — it's a fun-filled way to teach art to young children or a beginner that enjoys drawing.
