Introductory Chemistry Essentials (5th Edition) - Standalone book By Nivaldo J. Tro

See how chemistry is relevant to your life

Now in its Fifth Edition, *Introductory Chemistry Essentials* continues to foster deep engagement in the course by showing how chemistry manifests in your daily life. Author Nivaldo Tro draws upon his classroom experience as an award-winning instructor to extend chemistry from the laboratory to your world, with relevant applications and a captivating writing style. Closely integrated with the fifth edition of *Introductory Chemistry Essentials*, MasteringChemistry® gives you the tools you need to succeed in this course.

This program provides you a better learning experience. It will help you to:

- **Personalize learning with MasteringChemistry®:** This data-validated online homework, tutorial, and assessment program helps you quickly master concepts, and enables instructors to provide timely intervention when necessary.
- **Achieve deep conceptual understanding:** Several new Conceptual Checkpoints and Self- Assessment Quizzes help you better grasp key concepts.
- **Develop problem-solving skills:** A step-by-step framework encourages you to think logically rather than simply memorize formulas. Additional worked examples, enhanced with audio and video, reinforce challenging problems.
- **Maintain interest in chemistry:** The inclusion of concrete examples of key ideas throughout the program keeps you engaged in the material.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and

use Pearson's MyLab & Mastering products.

NOTE: Make sure to use the dashes shown on the Access Card Code when entering the code.
